Highlights

1. Published in Official Bulletin No. 81 Series I of August 23, 2021, Resolution No. 82/2021 that:

"Approves the requirement to present a valid RT-PCR or negative antigen test, every fourteen days, or the COVID Vaccination Certificate, to workers and public and private service providers that provide services to the public or who have direct contact with the public, as well as those who share common spaces and transport service with them, as a measure to protect public health and reinforce vaccination, in the face of COVID-19."

The resolution was approved by the Council of Ministers on August 19, 2021, and took effect the day following publication.

2. According to the official resolution nº 75 Series I of July 30, the Government:

- Declares contingency situation throughout the country, based on the evolution of the epidemiological situation;
- Approves the acceptability of the COVID Certificate, as a document proving the low risk of its holder being a COVID-19 active patient and a measure to facilitate free movement and carrying out activities in the context of the COVID-19 pandemic;
- Approval of the regime for the issuance, verification, and acceptance of COVID Certificates from Cape Verde and recognition of COVID Certificates issued by third countries or multilateral institutions.

The "COVID Certificate of Cape Verde" is issued by the Ministry of Health, free of charge (except in the case of issuing a new certificate due to loss or request for issuance in paper format), through the web platform <https://nhacard.gov.cv/>, at the municipal health units, at "Casa do Cidadão" and in the Municipal Councils counters, and also in the "Nha Card" application, available in Google Play and Apple Store.
