Recommendations from health authorities

- If you experience any symptoms after vaccination, contact the nearest health centre or call the free hotline 800 11 12 for guidance or through the website <https://Covid19.cv/vacinas/> and fill in the form to report adverse effects following immunization to the Independent Health Regulatory Authority (ERIS).
- Keep the vaccination certificate that serves as proof of vaccination against the COVID-19.
- The booster dose is available for the entire population over 18 years of age who have completed their vaccination schedule for more than 3 months, in two doses.
- The **Nha Card** platform platform that issues the Covid19 certificate with a booster dose. Request or renew your certificate on the website: www.nhacard.gov.cv
- People vaccinated with the first dose and who have already completed 2 months, should look for the vaccination posts to take their second dose of vaccine. To take the booster dose the person must have completed 3 months after taking their 2nd dose.
