Highlights

1. According to the official resolution n^o 75 Series I of July 30, the Government:

- Approves the acceptability of the COVID Certificate, as a document proving the low risk of its holder being a Covid-19 active patient and a measure to facilitate free movement and carrying out activities in the context of the Covid-19 pandemic;
- Approval of the regime for the issuance, verification, and acceptance of COVID Certificates from Cabo Verde and recognition of COVID Certificates issued by third countries or multilateral institutions.

The "COVID Certificate of Cabo Verde" is issued by the Ministry of Health, free of charge (except in the case of issuing a new certificate due to loss or request for issuance in paper format), through the web platform <https://nhacard.gov.cv/>, at the municipal health units, at "Casa do Cidadão" and in the Municipal Councils counters, and also in the "Nha Card" application, available in Google Play and Apple Store.

2. The Resolution No. 36/2022 of 7th April approved the complete vaccination schedule against COVID-19, including an additional booster dose, in addition to the second dose or single dose. Resolution No. 36/2022 is available at https://covid19.cv/wp-content/uploads/2022/04/bo_07-04-2022_37.pdf.

3. The Government approved Resolution No. 84/2022, of 14 September, which puts an end to the alert situation across the country. This measure stems from the satisfactory evolution of the epidemiological situation experienced in Cabo Verde as a result of the high vaccination coverage in all municipalities in the country.

The use of face masks in spaces and establishments, as well as in collective passenger transport, land, air and sea, is no longer mandatory, constituting a public health recommendation.

For inter-island and international trips to Cabo Verde, it is no longer mandatory for passengers and crew traveling by air and sea to present a valid COVID-19 Certificate, or a negative screening test result. For international travel originating in Cabo Verde, the requirement for COVID-19 Certificates or testing depends on the guidelines of the health authorities of the countries of destination.

Resolution No. 84/2022 is available in the Official Bulletin No.89 Series I of the 14th of September and can be accessed at <https://kiosk.incv.cv/1.1.89.4404/>.
