

Epidemiological Situation of COVID-19 in Cabo Verde

Current Situation

At the end of the 48th epidemiological week of 2022, Cabo Verde registered 63080 accumulated cases of Covid-19. On the 4th of December, 2022, the country reported 108 active cases, 62505 cumulative recovered cases, and 412 cumulative deaths from Covid-19. During epidemiological weeks 47 and 48, the country did not register any deaths due to Covid-19.

In the period corresponding to epidemiological weeks 47 and 48 (21/11//2022 to 04/12/2022), the country recorded 261 new cases of Covid-19, (*Table 1*).

Table 1. Number of cases and incidence rate of cases reported in the last 14 days of Covid-19 per 100 thousand inhabitants, 21/11/2022 to 04/12/2022

Island	Nº of cases notified*	14-day incidence rate per 100 000 inhabitants
Santo Antão	54	147
São Vicente	73	85
São Nicolau	9	76
Sal	13	30
Boavista	33	150
Maio	3	37
Santiago	72	22
Fogo	4	12
Brava	0	0
Cabo Verde	261	46

Sources: SVIR, DNS, MSSS, as of 04/12/2022*

Between 21/11//2022 to 04/12/2022, Santiago island accounted for 27,5% of Covid-19 cases reported and the highest cumulative incidence was registered in Boa Vista. One island did not register any Covid-19 cases in this period, (*Table 1*).

During epidemiological week 48, a total of 1568 samples were processed nationwide through RT-PCR and antigen tests (AG-RDT) diagnostic methods. The country registered a positivity rate of 44.0% and a testing rate of 110.1 tests per 100 000 inhabitants, (*Table 2*).

Table 2. Number of tests performed, positivity rate, and testing rate per 100,000 populations in epidemiological week 46 (21/11/2022 to 04/12/2022) by island

Ilha	Number of testes performed *	Positivity rate (%)	Testing rate/100 000 inhabitants
Santo Antão	248	22.6	676.8
São Vicente	390	18.7	451.7
São Nicolau	28	25.0	235.5
Sal	87	17.2	198.3
Boavista	84	0.0	381.2
Maio	33	9.1	411.1
Santiago	665	12.8	207.2
Fogo	33	12.1	95.8
Brava	0	0.0	0.0
Cabo Verde	1568	44.0	110.1

*Total number of RT-PCR and Ag-RDT tests performed

Highlights

1. According to the official resolution n^o 75 Series I of July 30, the Government:

- Approves the acceptability of the COVID Certificate, as a document proving the low risk of its holder being a Covid-19 active patient and a measure to facilitate free movement and carrying out activities in the context of the Covid-19 pandemic;
- Approval of the regime for the issuance, verification, and acceptance of COVID Certificates from Cabo Verde and recognition of COVID Certificates issued by third countries or multilateral institutions.

The "COVID Certificate of Cabo Verde" is issued by the Ministry of Health, free of charge (except in the case of issuing a new certificate due to loss or request for issuance in paper format), through the web platform <https://nhacard.gov.cv/>, at the municipal health units, at "Casa do Cidadão" and in the Municipal Councils counters, and also in the "Nha Card" application, available in Google Play and Apple Store.

Resolution No. 78/2021 of the Official Bulletin No. 75 Series I can be accessed at

https://covid19.cv/wp-content/uploads/2021/07/bo_30-07-2021_75.pdf.

2. The Resolution No. 36/2022 of 7th April approved the complete vaccination schedule against COVID-19, including an additional booster dose, in addition to the second dose or single dose. Resolution No. 36/2022 is available at https://covid19.cv/wp-content/uploads/2022/04/bo_07-04-2022_37.pdf.

3. The Government approved Resolution No. 84/2022, of 14 September, which puts an end to the alert situation across the country. This measure stems from the satisfactory evolution of the epidemiological situation experienced in Cabo Verde as a result of the high vaccination coverage in all municipalities in the country.

The use of face masks in spaces and establishments, as well as in collective passenger transport, land, air and sea, is no longer mandatory, constituting a public health recommendation.

For inter-island and international trips to Cabo Verde, it is no longer mandatory for passengers and crew traveling by air and sea to present a valid COVID-19 Certificate, or a negative screening test result. For international travel originating in Cabo Verde, the requirement for COVID-19 Certificates or testing depends on the guidelines of the health authorities of the countries of destination.

Resolution No. 84/2022 is available in the Official Bulletin No.89 Series I of the 14th of September and can be accessed at <https://kiosk.incv.cv/1.1.89.4404/>.
